# Video Production Assistant

## OVERVIEW

Our farm is seeking an intern that will be able to film and produce short videos of the farm for promotion and marketing.

## GOALS

1. Produce weekly videos about the farm and food items we are producing.
2. Promotional videos for events we are hosting
3. Long term filming for a short documentary on the farm.

## SPECIFICATIONS

Want filming to start as early in the Spring as possible April/May and continue through the Summer until August/September.

Part time work.

Having your own equipment is necessary.

Enjoy a Maine Summer while having an independent project here on the farm.

## COMPENSATION

Negotiable depending on need of the individual.
